“ *Vally and family.*

*we be like family all these years. I am so sorry Kenneth had to leave us. You know he better off ,no pain ,no heartaches any more. God will open his arms and take all the worldly things away. Some day we will all be together in Heaven. Vally I Love You and Your Family very much. You have been a part of my life ever since I was little. So to me you are more like my Anut or something not just a Freind. My God be with you all through all of this and I will keep you all in my prayers. Love and God Bless Donice and Family###imported-begin###Donice Brown###imported-end###*
