“ *mr. and mrs. harris, julian, the harris family and friends of kenneth,*

*it was with very deep sadness i heard from and then spoke to julian this weekend about the recent death of kenneth. as many have told you and you already know (and are experiencing), there are absolutely no words that can console you during such a personal, untimely and regrettable loss of a son, brother and loved one. kenneth lived a noble life full of beauty - some he created, some he experienced - and he contributed to the world in a rich way. much too early, you lose a soul you loved very much....and the rest of us lose a soul that brought light and vibrant energy to this sometimes too dark world. thank you, kenneth, for all you give your family and friends....who will see you soon enough in Heaven! warm wishes for a time of peaceful healing from this loss, a family friend (julian), bill watkins###imported-begin###bill watkins###imported-end##*
