“ Dear Mr. & Mrs. Raines,
I hope you remember me, I'm sure you do. I just was looking at people finders and stumbled on to this article. My heart is broken! I know I'm late, but I don't care, I've just talked to my mom and we cried for 30 minutes. I am so very sorry for both of you and mostly for myself. Kenny and Jim were both a huge part of my life.##imported-begin##Chris Horlock##imported-end##

“ Jimmy, I read about your son in the Atlanta Journal and I want you to know that you and your family are in my thoughts and prayers. I told Gene and Jean about Kenny's death. I don't know if you remember but their boys played ball with Kenny many years ago.##imported-begin##Diane Fowler Haynes##imported-end##
