“ I first met Kenny when he coached the youth football team that Jeremy & I played on many years ago. Since then, our families have shared some good memories over the years, and forged some lasting friendships. I will never forget Kenny's vivacious personality, and he truly was a fun person to be around that brought smiles to those that knew him.

I wish that I could be there to help celebrate the life and memory of Kenny, and our thoughts and prayers will continue to go out to the Williford family as they mourn their loss. May God bless you all with peace and comfort in this difficult time.

“ We were so sad to hear the news about Kenny. We both worked with Kenny and gave him great admiration with his knowledge in the industry. Kenny brought sunshine each day with his sense of humor and way of life. He took obstacles with a grain of salt yet completed them to the fullest. Some of his last few words to me were "your pain will heal with time, but you will never forget"...this was his advice from a recent family loss I had. I know Kenny is in a better place with his mom and Joey. We will miss him dearly.

Many prayers go out to your family.
