“ I'm Gene Cook's aunt and am writing on behalf of the Spriggs-Cook families, as we did not have an opportunity to give our remembrances of Kerry at her funeral. Kerry was a longtime friend of Gene's sister Melissa, and she and her daughters were extremely fond of Kerry, Gracie and Reed. Lately in particular, Kerry had done many activities with them, and they have been very sad. Shawna, the youngest, said: "And we just got her back...." Gene's mother Genny and husband Wayne loved her very much. It goes without saying that Gene is devastated. To others in the family who did not know her as well because we didn't see her as often - including my husband and myself - she still made the impression of a very sweet-spirited "girl" who would not say a cross word to anyone and went out of her way to be nice to others. She and my husband had been excitedly planning that he would sing at the new restaurant where she worked. In her honor, he will be singing there on January 26. On the afternoon of Kerry's death, Genny, her son Anthony and I were sitting on Genny's porch and saw a deer in the clearing. Her four dogs, who will bark at anything, and even the noisy bird, became strangely silent. Even though the other deer in the herd had run into the woods, this one stood there looking at us for many minutes. We were reminded of Kerry's serene grace and calm, and it made us feel better. She will be sorely missed.##imported-begin##Jean Ousley##imported-end##

“ My condolences goes out to you and your family, at this heartbreaking time. I did not know her personally, I have just been there. Baby, brother, and mother. Prayers and time helped out a lot. God's word the Bible was my main anchor of encouragement. The bible gave me a For Sure Hope, in John 5:21,28,29. There Jesus Christ promised. the resurrection hope. Acts 17:31 tell us that it is a guarantee. Imagine seeing your mother young and vibrant, never having to be sick again. What will conditions be like when then? Please read Psalms 37:10,11, and 29. I hope that this entry will give you and your family some assured hope and comfort. Please go to www.jw.org for more comfort. and look up When Someone Dies, Brochure, and read A Sure Hope For The Dead.##imported-begin##Felicia##imported-end##
