“ I am sincerely sorry for your loss. My heart goes out to you for losing kevin so prematurely. May you find comfort in the Almighty God , whose will is not to take our loved ones away from us but who has lovingly given his Son for us so we can enjoy everlasting life which because of sin we lost.. Jesus says he is the resurrection and the life, so all our loved ones who have fallen asleep in death will rise again and death will be no more. (John 11:23-25, Recelation 21:3,4). As you reflect on that wonderful promise, may your fond memories of Kevin bring you joy during this very difficult time.

“ My condolences to the family of Kevin. I grew up with Kevin and we came to know one another through our sisters. We attended elementary school together. In hearing how much of an impact he has made in so many people's likes on Facebook and here and feel honored and privileged to have known Kevin and called him a friend. He found me on Facebook in 2009 and we caught up on old times briefly. He never changed, always bringing a cheerful smile and always finding the good in people. He was one of a kind.

You touched so many lives in the short time on Earth. My condolences to Kevin's family and his friends, and pray that God looks over you and gives you strength during this time.

“ Dear kev today will be a very sad day for all of us, I wish I was their to say my farewell for now until I see you again, I know you'll be in good hands and your always going to be smiling up above and watching over your family, I'm still in shock that you've left us cause I just spoke to you last week and the whole time I was talking to you I was laughing and I was looking forward to seeing you but now I can't, I'm sorry that you had to leave your daughter, sister, mom and dad and everything one else behind, I know I'm going to miss our phone calls but mostly I'm going to miss you, I love you Kevin and keep smiling from above.

“ *Kevin, I remember the last time you visited us in Florida with your mom and dad. You sat on the stool by the counter and ate and asked about Bobby's cousin. We chatted for a while about girls, hobbies, interest. We went down memory lane and talk about your visit to GA back in 2000. I cracked up when you gave your email address as channaboy. You were hilarious. I have fond memories of you. You are in the arms of your Lord. RIP Kevin. Our deepest condolences to Aunty Bunny and Uncle Arnold and the entire Permaul Family, Diane, Patty Tangach, Veer, and the entire family.*
