“ Shirley, Gary, and Cory,
I send you much love and prayers during this difficult time. I knew Kevin best when we were in elementary and middle school and when he was playing baseball with my brother, Stephen. And although we lost touch, just a few weeks ago I was talking about him, wondering where he was these days and reminiscing of how we first bonded.. (we had the same favorite color in 3rd grade!) I do know that no matter when someone met Kevin or how long someone knew him, their lives were definitely affected in a beautiful way, because I believe the boy I used to know who was genuinely and to his core a smart, sweet, funny, and kind person, had to have remained that same person through out his life. And I am better for having known him. Kevin you were loved and are still loved by more people than you will ever know.###imported-begin##Laura Ross###imported-end##

“ I will always remember those 2 special little boys coming to my house and always coming up to me and giving me those great hugs for cookies. Kevin had visited us a few times in the last couple of years and I always have told Charles "that kid has the sweetest heart." Shirley you know how much I love you and those special little boys. They will always be that to you and me. If you need anything and I mean anything, just give me a call and you know I will be there.##imported-begin##Cookie and Charles and Family##imported-end##
