“ *I am saddened to hear of a very good friend's passing away. Khaled and I attended college together and I remember many great times we had. I remember the day I introduced myself in the student center and watching his jaw drop open when I spoke Arabic. I know he never expected a blonde haired American to be speaking his language. It pains me that I waited until too late to attempt to connect again. Life is too short and friends and family should never be taken for granted. I wish his family well.##imported-begin##Lonny Welch##imported-end##*
