“ *The one thing that stands out about Kim is the fact that she has been through alot of pain in life since I've known her, but it never changed or make her turn from our Lord and savior so I am sure that God is holding her in his arms and she is safe and secure.*

Kim always had something good to say about people(most ppl anyway lol).if I was having a bad day or something weighing on my mind she would give me a hug and give encouraging words. I didn't see kim that often but when I did she was always the same ole kim. Mama thought the world of Kim as do I. I just pray God keeps his hands on Bo and the boys. Rest In peace. You're beautiful spirit is in us all.

“ Baby sister you were my strength in good times and bad, my best friend. Who am I going to talk and laugh with about oldies but goodies days. One is the time you told Zack I won the lottery and that boy had y'all a new house and we use to laugh so hard talking about it . Sister I love you so much and I thank you for loving me back. You may be gone but will never be forgotten.
