“ *I'm so grateful to have known Kim. When we met and realized we were practically neighbors in Colorado we made an instant connection. We also shared a love of animals. My sweet dog Ginger loved Kim. One day as I was passing through a crowded room with Ginger and she made a bee line to Kim! Out of all the people in the room, she found Kim. I have some beautiful photos of Kim with Ginger. How could I know how precious those photos would be? My deepest condolences to your family.*
