“ Brett and family, I didn't have a chance to know Kim, but I was so happy that I got to drive down for her funeral yesterday. I felt like I knew her afterwards. She was such a beautiful person, inside and out. I only wish that I could make as big an impact as Kim did in her short life. My mind has been on you and your family and Kim's family since I left. I have been praying and will continue to pray for you. I only wish I lived closer to do more for you. My heart is with you and your precious children. Love you, Diane
