“ *Holly and Tiffany,*

*I just learned of your mom's passing. She and I worked together over the past five years at Avantor and I wanted you to know what a true gem she was. She was always willing to go above and beyond for me and I know I was not the only one. It's not very often that you get to laugh and conduct business simultaneously but I could always count on Kim to do both. I'm so very sorry to hear she has passed. Thinking of you.*

“ *So very sad to hear of Kim's passing. My sincere condolences to her family and friends. I've worked with Kim for many years and we spoke nearly every day, as she helped me support some of our largest and most challenging customers. She was a true team player and always did everything possible to help, not just for me but for everyone she worked with. Everyone always had the nicest things to say about Kim. I always laughed at one of her favorite expressions... "jiminy crickets" when something didn't go accordingly to plan. Kim was sweet and funny and genuine and had the most contagious laugh. We had become closer these last couple of years and I will miss her very very much! may she rest in peace! - Ana Ruvido*

“ I am saddened to learn of Kim's passing. I was fortunate enough to work with Kim. Kim graciously offered to drive me to and from work at times when I needed a helping hand. During our rides together, Kim would speak highly of her girls and grandbabies, ask me about my doggie and we always enjoyed a few laughs. I will miss her humor. My thoughts go out to her family.

“ Holz Tiffany, I'm so so sorry y'all are going through this, your mama was the lite in the room just like Gram! After I met Gram, I soon realized where your mama got her sass from and there's no better medicine than the lite and laughter she brought into a room! We love y'all so much, and are saddened by her passing! I hope y'all are able to find some peace, knowing she's the sun shining down on your backs, she is resting now and can be with her mama and daddy, as well as all the others who are looking down on y'all!!!

Love ❤️ Kelly, Jt and Adyson
