“ *Dear Robin and family,*

I've just heard that Kim has passed away. This news just breaks my heart. Just thinking back to the day when I met that pretty little brunette 3 yr old girl. She was so special and we connected immediately. Kim and Jamie meant a lot to me and my family.

Please know that you all will be in my thoughts and prayers. Losing a child must be so devastating. I hope to hear from you soon.

Love & prayers,

“ Hey Robin and Jamie, I am devastated to hear about Kim's passing. If I had known I would have paid my respects and been there with you guys. Ironically, just yesterday I came across that picture of Amanda, Kim and Jamie at the primary school valentines day dance and I just stood there for awhile remembering that night and other cheerleading events with the girls. I loved Kim very much and my heart is breaking for her and you guys, her family!!!! In spite of Kim's health problems she really loved life, I could learn a few lessons from her if I think back on it. Robin I cannot even to pretend to know the depth of your pain right now, but I know that no other pain could be worse than losing a beloved child. If there is anything you need or anything I can do for you, please e-mail me and let me know. I'm so sorry I found out about her passing so late, I would have been there for you and Jamie and to pay my respects to a little girl who made a lasting impact on my life, Kimberly. I will be praying for the entire family, especially you, Robin, and Jamie!! Love Always,
