“ Kirra I have thought about you everyday over the past few weeks and hoped that you would pull through. You are in a better place now though. You will be loved and missed so much and I feel honored to have met such a wonderful little girl. A little girl with a heart bigger than anyone I have ever met before.##imported-begin##Whitney Hoepker##imported-end##

“ I love you all and pray that as you move through the days, weeks and months you will find God comforting you with the memories you all have with Kirra. God bless and be with you, loving embracing each of you to know that she is happily in God's arms.

With Love,

“ Kirra, baby bear, I love you so much and miss you very much! You were a blessing to have known and I will miss coming over and seeing your beautiful little smile. I know that you are up in heaven though running and dancing and watching over your mommy, daddy, and sissy. We all miss you very much but are happy that you get to be with God and can run and play. I love you baby girl and so does Taylor.
