“ *I miss you dad! It's been two years now and I still can't believe you're gone... I'm so sad that I didn't get to say goodbye. I hate that I didn't keep in touch like I should of, I miss you.. thank you for all that you have done for me and my siblings,, I love you.*

“ *Kurt and I worked together since the days of Caldor then we met again at Target. He was a fun loving guy not quick to anger and ready with advice when asked. I will remember hearing you ask what the girls want? I would reply a good buddy and he would just laugh and sing the song. Just his play on words make the night go faster. So long my friend. You will be greatly missed. My deepest sympathies to the family. Stay strong.*

“ Kirt was so special. This past Sunday when I came to work and he wasn't there, there was a hollow place the no one can fill. I miss his smile and will never hear him tell me again to "have fun". It is hard to believe he is really gone. My prayers to his family.
Love to all. Sandra (Food Ave.)

That's funny. Kirt would tell me -- how much his singing would drive you all crazy, because he would only sing one part of the song and leave out the rest of the song! - Taryn Fisher-Holder
