“ *Hi Carol and family. I am Kerrie Barron, daughter of Gladys Jones, who kept Krista in her daycare center while she was just a toddler. Mother told me of your loss and I am so sorry. I remember Krista as a sweet, hugging, lovable child who had a smile that would melt your heart away. I remember, too, that at storytime, she always wanted to tell the story instead of listen. She was so outgoing. My sympathy to you and Krista's family.*

Sincerely,

Kerrie Barron###imported-begin##Kerrie Barron###imported-end##

“ *Krista we will all truly miss you. I will never forget you pacing me in traffic on the way to work in radio 10 years ago and the speeches you used to give me telling me to slow down!! Then later on all the thrashings you gave me when you were my FTO on the road. Thanks for everything you have done for me and everyone else here. Spanky I don't even know what to say, other than you have an extended family that is always with you, no matter what. All my prayers and the prayers of my family are with you.###imported-begin##Chip Moore###imported-end##*

You probably do not remember me, but I was a member of the hunt camp for nine years. I retired from Pompano Beach Police Dept., in Florida.

I am so sorry to hear of your loss. Obviously the entire LE community has also lost a valuable member. If there is anything you need, please feel free to contact me. Darryl Marshall##imported-begin##Darryl Marshall##imported-end##

“ Spanky and Cameron,

Our deepest sympathy for your loss. Seek comfort in the fact that she is in a better place.....a place where she can go 10-95 anytime she wants to and they won't be able to ever make bond.

Take care and God Bless you both.

“*Krista, it has been a week since I saw your smile as I left PSU on my way home. I miss you terribly. We had some great times didn't we? You were one great cop girl. I envied your quick wit and "always get the last word in" comments. You will forever be in my memories. Thank you for being such a great friend. We shall meet again Sweetie. Words are just not sufficient at this time and as someone once said to me, "what can we say after we say we're sorry?"
Just know that there are many people who love you and will be praying for you and Cameron. Only God and time can heal this hurt that you feel. Let Him help you through this.*###imported-begin###*Donnie & Valerie Gentry*###imported-end###

“ We want to express our sorrow to the entire family. With someone so young, it feels as if a blossom has been chosen too soon. God chooses the best ones for His garden in his own time, and He has chosen Krista. We will all see her again someday. We have to take our sorrow to the Lord, and He will help us with our pain and understanding. May the Lord bless and keep all members of this family.##imported-begin##Calvin and Ruth Haddox##imported-end##

“ Stan,

There are no words that we can say to ease the pain nor any thing that we can do to fill the emptiness that you are feeling. We love you and know that you are grieving. We will be praying for you and your family during this very difficult time. You know that God is there for you when none of us can be. He has huge ears to listen, big arms to hold you and a loving spirit to sooth you when no one else can. He will hold you up when you don't think you can make it. What an awesome God we do have and how lovingly he cares for us. We love you, Randall, Kathy Tim & Erika###imported-begin###Randall, Kathy & Erika###imported-end###

“ *Krista,
There are no word to accurately express all that you gave so freely
to this world. One only had to be with you to feel blessed. You have
shared so very much with me throughout my life, precious moments
that will forever be cherished. Thank you so much for allowing me to
be a part of your life and for selflessly giving your love.*

*Rest well sweet angel, your work on earth is done,
Called home to the Father's house, to visit with His Son.
No more sorrow nor grief nor pain will you feel,
Sorrounded by love and basking in our Maker's will.*

*Rest well sweet angel, 'til we see you again on high,
To be reunited once again when we reach the other side.*

*I love you,
