“ *Kristin was a great person who I loved very much. We became friends and became very close. Kristin and I loved each other very much. Kristin (I called her pretty girl). She was such a wonderful person. Kristin, I'm going to miss your smile, how you could light up all of us. You're beautiful pretty girl. I will see you again someday. I'm going to miss you so much. I was devastated by your passing. I will be praying for your family, your friends and any other people you made smile. I love you*

“ *When I heard I couldn't believe it. I don't know why but I just had to walk over to your desk 😭. I'll miss our chats about planning our upcoming weekends, even if it was the beginning of the week 😊, being the first ones in the office, and meeting in the breakroom to put that Coke (in the can, of course) in the refrigerator. I'll miss you, my Coca-Cola buddy. We will meet again.....*

“ I'll miss your no nonsense but upbeat personality. Being new at work you had my back. Be in peace and prayers to your family!

“ When I read about it, and it sunk in that it was you. I couldn't believe it. My "Coca-Cola" buddy 😭. I'll miss hearing you say, "hey girl" as I would drag into work or you telling me about the Coca-Cola stash in the breakroom refrigerator. Rest in Peace Kristin. We will see each other again.

“ I used to work with Kristin at New Penn with Renea. I only knew her threw work and it was for about a year. In the mornings, she would always come in with a smile unless she didn't have her Starbucks. She told me that the people at the one Starbucks knew her name. I'd always give her grief about it. She would always threaten to kick my butt. Then we would get Starbucks anyway in the afternoons. :) Now no one will be able to threaten me and get me my Starbucks. I'm going to miss you, Kristin.
