

Kristin Vicki Martin Taggart

November 12, 1971 - November 28, 2025

TAGGART – Kristin Vicki Martin Taggart, age 54, of Snellville, Georgia, passed away November 28th, 2025. A visitation is scheduled for Wednesday, December 3rd, 2025, from 12:00PM – 3:00PM & 4:00PM – 8:00PM at Tim Stewart Funeral Home in Lawrenceville, Georgia. A memorial service will be held Sunday, December 7th, 2025 at 5:30PM, at The Church of Jesus Christ of Latter-day Saints, 3950 Mink Livsey Road, Snellville, GA 30039, with Brother Stagg Greene officiating. Kristin, a bright, spirited, and deeply cherished soul whose presence brought color, warmth, and joy into every life she touched. Kristin lived with a light inside her—one that radiated in her laughter, in her kindness, and in the way she showed up for the people she loved. Kristin was known for her active nature growing up and into adulthood. She was a gymnast, a swimmer, a dancer. She was happiest when she was moving, exploring, and embracing the world around her. She loved playing soccer, feeling the grass under her feet, and the rush of the game. Nature was her sanctuary; she found peace in hiking through the trees, camping beneath the stars, and soaking in the sun she adored so much. Wherever she went, she carried that sunshine with her—and shared it freely. She was also the heart of every gathering. Hosting Halloween parties, cheering loudly during Super Bowls, and filling her home with laughter, music, and friendly chaos—Kristin was the life of the party in the truest way. Her laughter was infectious, a sound that brought comfort, connection, and joy to even the darkest rooms. Above all, Kristin was a devoted mother. Her boys were her world, her pride,

her purpose. She dreamed of being room mom at school, eager to be there for every moment—big and small. She spent her days doing everything she could to make sure they felt unconditional love and had memories filled with adventure, wonder, and warmth. Her heart lived in the hope that their childhoods would be rich with joy, support, and experiences they would carry with them forever. She was not only known as “Mom” to just her children, but to many others she reached her heart out to. Time spent with her loved ones, especially her treasured grandchildren, were the moments she held dearest. Being a grandmother is one of her biggest achievements and her grandchildren will forever love and cherish their Gigi. Kristin lived her life striving to be sunshine and rainbows—not just for her children, but for everyone she met. She faced life with strength, resilience, and an unshakable spirit. She was a fighter, until the very end. Kristin leaves behind a legacy of love—real, bright, and everlasting. Though her time here felt far too short, her impact remains immeasurable. She will be remembered in every sunset, every burst of laughter, every moment of kindness passed from one person to another. Her sunshine continues in all of us. Kristin is preceded in death by her father Michael Ken Martin & her biological mother, Neena Anderson. Kristin is survived by her children & their spouses, Mikaelas Barnard McGinnis, Jordan (Karyssa) Taggart, Preston Chase Taggart, Cameron Taggart; grandchildren Charlotte Taggart, Myles Taggart, Rowan Taggart, Mia Taggart, Moana Grace Taggart; her mother Vicki Lynn (Grow) Martin; siblings & their spouses, Lisa (Kari) Gibb, Lance (Sarah) Martin, David (Aimee) Martin, Riley Caldwell, Joshua (Dawndria) Caldwell, Sara Schaffer, Heather (Lyndon) Johns, Teschia Sigler; and many nieces & nephews. Arrangements made by Tim Stewart Funeral Home, 300 Simonton Road SW, Lawrenceville, GA 30046. Please sign the online guest registry at www.stewartfh.com.

“ *I remember when Cameron and I were kids, I would have sleepovers at his house. Kristin always made me feel welcome there, even cooking breakfast and making us laugh even while we were eating. I've got plenty of good memories of great mornings because of her bright attitude, because she brought it with her everywhere she went. Rest well Kristin, you'll always be remembered.*

I love Kristin. I've known her for 40 years. Loved our family get togethers and laughing our socks off. We'd eat all the olives and pickles we could then have a burping contest. She always made me laugh and her smile was contagious. What a strong Warrior she was facing all her challenges and showed to be resilient and brave facing her health struggles. Loved when Jordan Preston and Cameron were little. We'd go to Yellowstone and Virginia City Ghost Town. I loved when Kristin and her family came to house and we cooked a traditional Fijian Lovo dinner and played Fijian music and tried Kava. She always had an adventurous spirit, that why we connected not only as my sister in law but as a friend. She was a hoot to have as a sister in law. Love her so much! 💕🙏

“ Hey everyone, this is Cameron, Kristin's youngest son. But I am updating and also speaking for both my older brothers, my sister in law, and everyone around her words cannot begin to describe how incredibly humble and moved we are by all donations she has been receiving and the love and support that has been flooding in from all directions. None of us could have been prepared for this and it has been a long journey through her fight with cancer. For those who may not know or not be privy to the gravity of it she was diagnosed with terminal colon cancer in 2019. They determined she would last 2 maybe 3 years and my mother literally pushed through pain for 6 years straight and stayed resilient and true to herself through thick and thin. And she is a wonderful mother, grandmother, sister, and daughter etc. My mother is the strongest, most kindest, most loyal, loving, and unconditional human being you could possibly cross paths with and anybody who she ever has crossed paths with has nothing but empowering things to say about my mother. She will be dearly missed. As tragic and untimely as it is she lived a very exciting life and was proud to be a mother of 3 boys who she took pride in raising and believed in tremendously. Proud of being a grandmother to her grandkids. Her love was like no other. Her smile like no other. She loved family, nature, music, drawing, writing, helping others, and had a wonderful personality. Some of my favorite memories with her are our visits to the beach, her warmth & excitement spending holidays in the presence of her kids. I loved sitting and talking with her, cruising around talking and listening to music. I loved. I loved how supportive she was and how she saw my purpose and my gift even when I was fighting my own battles. She always reminded me im loved and she knows I will be successful and accomplish my dreams. I could go on and on. My mother is one of a kind. All donations are greatly appreciated. We all want to be able to handle it ourselves but it is crazy how expensive it is to bury someone. You guys she would be so thankful and moved by your kind gestures and donations. It's more than \$. That is a testament to all to those who cared for her and how remarkably loved she was by many. Thank you all! We are almost there! Look at GOD   you guys deserve to see these collages I made of me and her, her at my

last performance, and a pictures of her childhood and early life as well. There is so much to go through.

“ *My favorite memory... we lived in the same neighborhood in high school. The Martins had a rectangular trampoline in their back yard that we spent a lot of time on. When ever we played Crack the egg Kristin was UNBREAKABLE!. She had nerves of steel and balance none of us could match.*

“ I’m so sorry to see this. My heart is sad. I remember Kristen. Our sons were in the same class in elementary school for 2 years. Kristen was a bright light shining for all to see. And such a sweet kind soul. We contacted right away. I enjoyed talking and laughing with each other when our children were little. She always was a lot of fun. I pray for our Heavenly Father will confront the family in this sad time. I’m sending my love to the family. 🙏📄

“ Kristin was the most generous caring person that I have ever known. She could light up any room she walked into just by being there That's how good a personality was no matter how depressed or mad you were as soon as he comes in the room you automatically start crying because she carried that sunshine in her pocket and she always found the good in people no matter what. You will be missed dearly I love you and may you rest in peace
