“ *I always enjoyed a good conversation with Kristopha in Spanish. We enjoyed this because most everybody else around us couldn't understand us hehehe. What a gentle and amazing soul and so so so smart. I am glad and thankful to have met you my friend.*

“ *Kris was a wonderful and kind man. He was intellectual but sensitive. The kind of person that you are lucky to have crossed paths with. Kris's life should remind us that we are called first to love one another.*
