Kristy, was one of my most outstanding 4-Hers I ever worked with. She was always there when she said she would be there. She was kind to everyone and a pleasure to work with. I will always remember her as a special 4-et that I had the privilege to work with. God Bless her!!

“ *My mom was the most beautiful, warm loving and the best mother I could ask for. She always made sure everyone around her was happy before herself. Many people did not treat her right but she stood strong for so long. My mom and did karaoke a lot and she still tried when she got sick. She managed it for me. It's the little things I miss like the warmth of her skin, her laugh, and smile. Most importantly feeling that love that I was blessed to have. I know she will always be with me. The love from a mother never dies even from another state of mind. I am very proud to call her the mother that has stood by me from day one literally. If anyone needs to reach out...*

“ *My sweet, sweet sister. I can't begin to express my love for you or how I'm completely broken that you are no longer on this earth. I'm so sad that I will not hear your voice, laughter or hug you tightly in my arms. One day, I will see you again and we will be singing in heaven together. You will forever be in my heart and I know that your spirit will always surround me like a cool breeze.*

I love you Kristy Lynn. Always and forever. ❤️
