“ *Krystal was such a great friend, it's hard to believe that you have been gone this long but the Lord needed you. I believe you are with him and watching over us daily. I will forever miss you and think of you often.*

“ *Krystal was very intelligent, sweet and the best girl I had the priveledge to call one of my girls at Christian City. I was her house parent when she was 13 until 14. We loved her dearly and I thought of her often. My heart grieves that so much potential is now lost but there is one thing that holds joy; she is with Christ. She accepted Christ and she now is in a far better place for an angel like her.##imported-begin##Mark Farrell##imported-end##*

“ Krystal was one of a kind, i believe deep down my heart that she was sent down to earth for a reason and has succesfully accomplished her goals, i knew her for just 6 months but it felt like we knew each other ever since we child hood. It hurts to know an angel has left us but the fact is she is in a better place with her granny and were is is pain free. Every single minute i spent with her was the best. The best part of my memories is when she called me to pick her up from Augusta, i left lawrenceville at 9:30pm and we came back at 5:30am.i rememeber looking at her when she was asleep while i was driving, it was the most cutest face i ever saw. Just want you to know i love you and miss you. MAY YOUR SOULD REST IN PEACE. LOVE SAADALLAH. SAVE A PLACE FOR ME BESIDE YOU.##imported-begin##Saadallah EI- Ahmad##imported-end##
