“ I know this is a long time to post a message since Kurt's passing, but I just starting searching for him and came across his obituary. I worked with Kurt at TruGreen/Chemlawn back in the early 90's...He was the Commerical Rep. He later left there to start his own chemical lawn and landscape business. He once came over to my apartment for what I think was birthday party with a few other fellows from TruGreen. Best regards, Jim Bridges.

“ Lost touch with all of those great childhood friends after moving in 79. Many fun days and nights skateboarding on campus or hanging out at the campus bowling and billiard center. RIP

“ I only knew Kurt through the work he did on my house, but I was a recent widow and had financial constraints. Kurt was so helpful in working to get the insurance money needed to complete the work. I don't know the circumstances, but I pray for your peace and comfort. I'm sorry for the late response, but I had no idea this had occurred until I was trying to reach him on a checkup on my roof and couldn't get in touch with him. My deepest sympathy and prayers.

“ I am shocked & extremely saddened to hear about Kurt! Sorry I didn't hear about this earlier-(*\*Special thank you to Kathy Murdoch, for post on "UHS 1981"-Facebook Page*)

*To Kurt's family & friends, you have my deepest sympathy. It's never easy losing someone you love, even harder when they're young & still should have many years ahead of them. Everyone knows the saying "life is short"-(which is very true)-sometimes though not realizing just how short it could turn out to be. The loss of Kurt is a reminder to all of us. Life is about quality not quantity, if Kurt was anything like when I knew him, he enjoyed life & the people in his life to the fullest! He always had a smile, always friendly & could find humor in any situation.*

*Thank you Kurt, for the fond memories...from the years at Metcalf School-"going steady" twice, once for almost 2 hrs. before dumping me for another-(ah, grade school!) & the group of us going to see "Young Frankenstein" at Normal Theater.....to U-High school yrs. & summers in-between spent at Fairview Park, swimming & hanging out at the park.*

*\*You & especially your family are in my thoughts & prayers.*

*-peace & comfort*

“ *My deep Condolences to the McCarney family. As kids, Kurt and I played many a kickball game together and spent a lot of time together in Normal. His family was always gracious in allowing me to hang out there. As Julie Wainscott said, we would often get up early and stop play pinball at the student union at Illinois State when we would walk to Metcalf Elementary School. May his memory be a blessing to his family and friends.*

“ Praying for all the family and friends who knew and loved Kurt! I have very fond memories from the Metcalf years. Kurt, Peter Cohen and I would meet at the student union before school in junior high. I would watch them play pinball! I could go on and on with fun childhood stories! We were in the same class k-8. And although our path didn't cross much after high school, the memories live on.

For those who are saddened by the news, I leave you with this verses:

Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy. 23 In that day you will no longer ask me anything. I tell you the truth, my Father will give you whatever you ask in my name. 24 Until now you have not asked for anything in my name. Ask and you will receive, and your joy will be complete. 25 "Though I have been speaking figuratively, a time is coming when I will no longer use this kind of language but will tell you plainly about my Father. 26 In that day you will ask in my name. I am not saying that I will ask the Father on your behalf. 27 No, the Father himself loves you because you have loved me and have believed that I came from God. 28 I came from the Father and entered the world; now I am leaving the world and going back to the Father." 29 Then Jesus' disciples said, "Now you are speaking clearly and without figures of speech. 30 Now we can see that you know all things and that you do not even need to have anyone ask you questions. This makes us believe that you came from God." 31 "You believe at last!" Jesus answered. 32 "But a time is coming, and has come, when you will be scattered, each to his own home. You will leave me all alone. Yet I am not alone, for my Father is with me. 33 "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world." John 16:22-33

“ We had a lot (a lot) of fun at tennis during Abbie's senior year. A lot of Sunday drinking and celebrating.... Probably the most fun season we ever had. We are thankful for those good times and that is how we will always remember Kurt- life of the party and Judy's sidekick. RIP!!
