“ Lori and Larry Jr...I am so sorry for the loss of your beloved father.

I have so many fond memories of him as "The Godfather" and Dr. Larry. (I always had so many boo-boos that he would take care of.) All the trips we would take around the Atlanta area looking at houses, the trips on the back of Larry's and Dad's Moto Guzzi's, donuts and uglies at dark-thirty during the weekends at your house, trips to the lake and in the RV along with the trip to Lake Toxaway NC. And let's not forget the Aladdin themed restaurant in Nashville where we napped on all the pillows at our table!

Larry was such a kind and loving soul who was always willing to help. May God surround all of you with His love and memories. All of you will be in my heart and prayers.
