“ *Andy, Alex, and Gayle,*

We are so thankful for the privilege of knowing Larry. What a great example Larry was to his friends and to each of you. His legacy lives on in your lives and the lives of his grandchildren. We no longer pray for Larry, as he is with Jesus, but we pray for strength and peace for each of you during these days of adjustments and loss.

The last visit I made to your dad in the hospital where he was conscious, all he could talk about was he knew that heaven was waiting for him and it was a win - win, and how grateful and proud he was of his wife, children, and grandchildren.

We are blessed to have known such a kind, godly man.

*Blessings,

“ *Gayle,*

Larry was one of the kindest men we have known - always with a willingness to help out at church, and showing his concern for others. He is one man who showed Christlikeness with consistency.

Andy and Alex, you are testimonies to how your Mom and Dad poured love into you and showed strong support for each of you. The Lord blessed you both by being the children of Gayle and Larry. When I last visited your Dad, he was so thankful for you two and his grandchildren.

We will be praying for each of of you and your families. 1 Peter 1:3-9

With love and support.
