“ I knew larry since middle school, we use to play ball with each other in team sports, talked smack, and always dapper each other up in the hallways of school grounds, sometimes even rode the bus with each other, and as we got older went out couple of times, use to link up in Loganville and kick it and always kept in contact over Facebook, he was a really loving caring person, and I respect him for that, he always been my dawg, just a solid real cool dude 🐾 miss you bro 🐾 100

“ I've been friends with Coop for 10yrs and it was not a day that went by that he put a smile on my face when we talked. I was going through a rough time after my pregnancy and he was there for me everyday when I felt like I didn't have anyone. I don't even think he knew how much that meant to me. He called everyday to the point my daughter was happy to see him call lol we miss you coop!
