“ Papa I can't believe you are gone. You will never be forgotten. All the memories I have of you and grandma taking me and Amanda on trips. Especially the one time we went to lookout mountain and being on the swinging bridge scaring grandma and Amanda by making it sway more. You were truly loved by everyone. I promise you when I have kids they will be told about you through so many stories and memories we all have. You were an amazing grandfather and father. Rest easy papa. I love you with all my heart.

“ *Bea and Family , we are so sorry to hear of Larry's passing. I loved connecting with him via Facebook. I remember back 2006 , we surprised Larry & Bea and stopped by to surprise them with my mom. What a great surprise, Mom wanted to call and let you know we were coming I then said the they won't be surprised, the look on Bea's face then Larry's , what a wonderful memory I will always have.*
