“ *Becky, Laurie and family*

*My heart hurts for each of you. Even though we know Larry is in the arms of Jesus, it does not take away the desire to have him here with you. Larry was a kind, loving guy that cared deeply for his family. He was very special to me and my family. My dad loved him so much. He often shared with us how proud he was of Larry. If Larry called, came by or if my dad saw him while out, he would always tell me. The days ahead will not be easy, but God will provide you with strength and surround you with love.*

*Bless each of you

“ *Back in the day, Larry was employed where my husband and I both worked. I've known him for almost forty years and he was -- and still is -- a very special person.*

*Larry was always so kind and helpful. He has given us many laughs over the years as he had great humor and we still talk about some of his many funny stories. It's hard to believe he's left this earth, and everyone who knew him will miss him greatly.*

*He did fight the good fight of faith and finished his race.*

*I know I'll see him again in heaven.*

*Comfort and peace to the family,*

“ Mr Larry was my dads best friend. I've known him since the day I was born. I have fond memories of golfing and fishing with him. Even as a small child, I considered him as a good friend. We used to cut up and laugh until tears came. Larry was extremely intelligent and had a heart of gold. I cannot express the positive impact he had on my life. We lost him way too early but have to trust the good lord. I know he's trolling for crappie in heaven right now. I look forward to joining him one day. You will be missed Mr Larry. I love you man. -
