“ Larry my best friend you will be missed so much by me and my kids Savannah and Justin. You were such a great person to them and they looked up to you for guidance and help when they got into in troubles. And Larry you have been there for me as well through my life, my ups and my downs. You've taught me alot as I go through school P.O.S.T. and other adventures in life. I'm going to miss our great times we had even if we just sat at your home or going to waffle house and drank some coffee. And the trips we took along the way. I love you Larry.
