“ Larry & I were friends way back in the 70's when we were in The GA Air National Guard together, first out at Dobbins AFB, then they built us our own Guard Base out in Kennesaw across from McCullam Airport. Back when Larry was with the Gwinnett County PD, we used to have a Family Dept. Store downtown L'ville on the Courthouse Square, called "Saul's Dept. Store. I was in business with my dad, Ralph Saul who was President of the Gwinnett County Chamber of Commerce back in the early 70's. Sorry to hear about Larry's passing. He was a really great guy. May your memories bring you comfort knowing that he's in a Much Better Place, "Resting in Peace" with our Lord & Savior at The Right Hand of God. Our Sympathies & Condolences are with you & your Entire Family at this Time of Need. Our Prayers are with you. "To God be The Glory" ~ Respectfully, Connie & Alan "Kingfish" Saul

“ Today 8/12/23 I happened to see on facebook where my childhood friend has passed on to his rewards and am sadden to see he is no longer with us. I knew Larry back in the late 1950's, we played at each others homes and got along very well. We went to Avondale High during the same years as we were of the same age. I met up with him many years later, around 2018 or 19 as he had attended Forrest Hills, my brother, music festival at Forrests home, what a joyous reunion that was for the both of us. I later learned his son had passed and sent condolences to Larry, I know he was devastated for this loss. I never knew his wife or kids but will be praying for all during this sorrowful time.
