“ *Baby Brother, I wondered what happened to you after you broke your back when you lived in Grayson. I took you to the doctor several times but then you just disappeared and we never heard from you again. I know you had a hard life and I am thankful you found good friends that helped you find peace and a better way of life. I wish I would have known where you were, I would have helped you and been there for you.I have missed you.##imported-begin##Martha Baughcum##imported-end##*
