“ *I had one of the best gifts of life to be a friend of Laura's for many years in Davie. She was smart, sassy, funny , honest and a true friend. We enjoyed many days sitting outside of school waiting for the kids to be released. We would laugh and I can hear her now. I loved her laugh! She was always so protective of her children, a fierce Mama bear and loved her family deeply. Though she moved away she stayed in touch for many years and one phone call would put us outside that school again laughing. I will always think of her with much love. I know she will fly with the angels and keep a close watch over her family always Rest In Peace my friend*

“ Laura and I worked together at Belk in Snellville for many of years until I left Laura was a hard worker and she knew her job very well ,and was always willing to teach you what she knew about the job. I never heard or saw Laura be disrespectful to a customers she would help them locate the clothing they was looking for. She didn't make small talk during lunch break but had her face in a book she was reading, and she say it didn't take her long to finish one. One day some ladies was talking about a show that came on Tv The Walking Death, before that she told me she didn't like shows like that but she got HOOKED on it and couldn't stop from watching it. Praying that God will strengthen and comfort the family and give them peace as they go through this time of their loss

“*Laura and I worked together for 14 years at Belk in Snellville, right up until the pandemic closed our store for several weeks in March of last year. In all honesty, when I first met Laura, I was a bit intimidated by her! But as I grew to know her better, the matter-of-fact way she lived her life became one of the things I admired most about her. Her honesty and integrity were some of her finest qualities. You always knew exactly where you stood with Laura, and that is a rare gift in any friendship.*

Without question, Laura was one of the hardest working ladies that I have ever known. She took great pride in doing her job well, and she certainly expected all the members of her team to share her same work ethic! Over the years, I watched as Laura became the ‘work mom’ to many of the younger associates who came to work with her in our store. She was always willing to train and mentor, and undoubtedly she made a lasting impact on many lives over the course of her time at Belk.

Laura was an avid reader - any time that she was on a break at work, she could always be found with a book in hand. I can’t imagine the number of books she must have finished over the years! We talked often about favorite books, movies or TV shows, but we also shared stories of things going on with our families outside of work. Later in my time at Belk, I was able to meet and work with Laura’s daughter, Jess. She is an amazing young lady - kind and beautiful and a hard worker like her mom. I am grateful I had the opportunity to get to know her!

I am praying for peace and strength for Laura’s entire family as they deal with the loss of a wife, a mom and a dear friend. She will truly be missed by all who knew and loved her.

“ *There are people who come into your life and make such an impact, that you will never forget them...no matter how much time passes between you. Laura was one of those people. Our friendship spans over 20 years. Though I haven't seen her in 4 years, I can tell you what her laugh sounded like, how snarky and witty she was, how honest she was and how much she was just "herself"- take it or leave it. I loved her. She will be missed by all who knew her. And I know her family will think of her every day. My heart hurts for them. And I pray their memories of Laura, will carry them though, until they are together again. All my love, all my thoughts and all my prayers. Robin*
