“ Oh Lauri, how dare you go and leave us here to try to sell Real Estate in this economy! I will miss your wit and humor, you ALWAYS made me laugh. I know the angels are laughing now because you are gonna be like Whoopi Goldberg in "Sister Act" always creating a stir and making us giggle when we are supposed to be reverent. Kit and I loved you dearly and never got to spend enough time with you. Most of all there will NEVER be another Christmas tree as pretty as yours in Georgia. Please watch over all of us from your seat in heaven and send us a little message every now and then to let us know you're OK!###imported-begin###jenny ousley carson###imported-end###

“ George and Thelma, words cannot tell you how sorry I am and since I've never given up a child, there is no way I can fully know what you are going through. I am thankful you know the God who gives life and who sees when His children need to be home with Him, but He understands how hurt you are. I pray for comfort for you as parents and your entire family. I love you.###imported-begin###Joyce Hainey###imported-end###
