“ Scott - What do I say to my friend that will bring peace during such a sad time? Please know that many hearts are broken today and take comfort in knowing that Laurie will be missed more than words can share. Lori always reminded us to smell the flowers, blow bubbles and crumple the leaves. She left an imprint of love on the hearts of all that knew her. My thoughts, tears and prayers are intermingled with yours at this time. I take comfort that I was able to know her, saw her beautiful smile every time she looked at you and knew of her kind and gentle ways. May God's Hand comfort and guide you through the days, weeks and months ahead.
