“ My Aunt was like mother to Diane and me. We lived with her and Leon since I was in fourth grade. She loved her sisters, brother and niece and nephew. She loved family. we used together on holidays and sometimes just play softball and make homemade ice cream. She always loved people it don't matter where she went she knew somebody. You will be missed love you

“ She was a good woman. Always helping people. She was so good to our family. She loved her sisters more than life. They were very close. If you seen one, you seen the rest. My mama and Aunt Laverne were two peas in a pod. We spent our vacations together every year. I know my mama and Aunt Gene are happy now, because they are all together again. I love you always Aunt Laverne.

Laverne had no kids or grandkids of her own. She raised her nieces Sandra and myself as her own. She gained custody of us and raised us as her own. She always wanted kids and she raised us ax her daughters. She was a great and caring and beautiful person. She was taken advantage of by April who is no relation to her. We were unable to see her during the last few years of her life due to a shady. greedy no blood relative. Laverne's family loved her and she loved them. Once she had dementia April went behind the family's back and gained power of attorney. She told the court Laverne had no family and she was the granddaughter. A total lie!! She lied to her probate court!!! She is not a granddaughter all!!
