“ Oh if she knew y'all had her real name on here, she would have a fit. Kitt was my best friend since I was 12, about 33 years, and I loved her dearly. We had the best times, we were always up to mischief! This wonderful soul convinced me to put on a dress and go to a school dance, and the pictures still haunt me. Just as the millions of memories we shared always will. It's like a piece of me has left this world, and I will miss and love her always. Fly high Kitt, untill we meet again my friend.

*My deepest condolences to Lil Bit, and the rest of the family.*
