“ *Kenny (1st cousin) and I lived close to each other growing up and remained close through adulthood. The sweetest thing that I remember about Kenny is that he traveled from Georgia to Huntsville, AL to stay with my Mother for a few hours so that my husband and I could have a break. My Mother had dementia and could not be left alone. Kenny always loved his family and would do anything to help them. I will miss him. Diane Majors*

“ *Ken has always been a great friend and tennis buddy. I enjoyed our many matches as either partners, teammates, and even opponents. He had a great spirit and smile. I hate to say I lost touch with Ken once he moved out of the neighborhood, but I always knew he was there if I needed him. Ken was a true friend!*
