“ *Hellen,
This was one of the most beautiful tributes to a great man. It's so difficult in these times, but this truly honored Larry so well. I will always remember your visits every time I moved, and the times at the lake. Don loved conversing and listening to Larry, since his interests were unmeasurable, and he admired Larry's intellect. I'm happy you had Larry for so many years, creating memories we all hold dear at this time in our life. Wishing you peace and healing.....*

*Love,
Lyn S*

“ Larry was an amazing man with such a zest for life. His interests were boundless -- art, history, science, etc. He was a skilled artist and built some amazing furniture. He loved John Deere tractors of all things -- that just shows how diverse his interests were! His sense of humor was wonderful, with a smile that lit up the room. Everyone loved him from his men's group, the German restaurant staff, his neighbors, friends, the list is boundless.

Helen was his right arm, and we are grateful that we shared in their life together. Our friend will be missed, but the memory of such a remarkable person will remain forever.

Thank you, Larry Pulaski, for everything!

*Love,
