“ *Leatha you was a very special niece in my life and we have lots of memories, some funny and some sad. We both love doing crafts and flower gardening. I will miss you very much. God called you to our heavenly home early in your life, his will was done when he lead you home on Wednesday. In God's will you had completed your time here on earth and it was good to let go and let God have control. You are loved dearly and will be missed by all who knew you...God is good!!
