“ *I only knew her for few years and then found out she is related to me on my father's side. Since I have found a whole new family. The family I grew up with never tried to find any of our father's kin. I am soo sorry for your loss. She was a sweet person and a loving cousin.*

“ Every year there was a music festival at the home of Forrest Hill. Lee always volunteered her services to help serve food and other random duties. She was always in great spirits and had a greatfull heart. She was one of the sweetest people and wonderful cousin. My prayers are up to Car, Fay, Renee and other members of her family. She will truly be missed by all but one day she will be reunited with everyone in heaven.

“ *My memory was when we had a block party in our neighborhood and she came around the corner. We meet a woman who had a great smile. We spoke each time she was outside and when she came to meetings. She will be missed by us here at Tara Commons.*
