“ I am so sad to hear of Lena's passing. I will be thinking of all of you during this time. The thing that I most admired about Lena was the way she loved her children and grandchildren. “ *Please accept my deepest sympathy. When our loved ones die it is only natural that we want to be with them again. We have a hope that that will happen. The Bible teaches that many who have died will be resurrected. Jesus promised that "those in the memorial tombs will... come out." (John 5:28,29.)##imported-begin##D Richmond##imported-end##*

“ I am so sorry for your loss. I did not know your Mom personally, but my Dad, Jim Hodges worked with her at Equifax and she helped me with my first car lease 32 years ago. My Dad passed away 3 weeks ago of Lung Cancer, but I do remember him telling me through the years how much of a help your Mom was to him with all of his car leases and how nice a lady she was. So when I heard through my Mom today that your Mom had passed, I had warm memories of her name and how well regarded she was by my Dad. I know how difficult this time is for you and your family and please know that my prayers and thoughts are with you and your family.
