“ *My Angel Maw Maw. My best friend. Truly the closest thing to God i'll ever know on this earth. You are with Him now&tho i'm so glad for your ascendance&peace, life will never be the same without you. Thank you for the life of servitude you lived. Only thinking of others,never of yourself. You never realized all you did for us just by taking us to bed with you in prayer,but you know now.Until we meet in glory,all my love to you.##imported-begin##Tiffany Arnold-Pavuk##imported-end##*
