“ *Loved Sister Lera as she was always dressed so pretty with her blonde hair fixed so high on her head she sang alto in the choir every service! Terry and Gary, I know how hard it is when your mother goes to be with Jesus! May God bless you and comfort you as you know she is strolling over heaven with Roy Lee...and he's probably passing out gum to the kids!*

“ *My first memory of Aunt Leara, she was on the front porch singing and playing the guitar. We (the family) were all there. She had a beautiful voice.*

Next memory: She and I were in a car, she was driving using two hands to steer. I ask her why (because everyone else used only 1 hand). She said, "Because I have better control with two." And she did.

The memory of visiting her and Uncle Roy when he was so sick. The love and care for him was so clear how much she loved him. And I know they are together now.

I love you Aunt Leara and I'll never forget you. I know you are at peace. I'll see you when God calls me home.
