“ les "44 mag" brown you are the brother i never had and the friend i always respected..Wise and faithful. You taught me about the LORD and lead me into sin. I remember when we came back to HIM. I know youve tossed that belt because youve traded your pants for a robe.Its been a long struggle,a rocky road. I'm the only one left and I'm feelin old. So save me a seat at the table of the LAMB and I'll see you soon or whenever I can.
