“ I will truly miss a very special person. Our friendship began the day our sons went missing from the school bus stop. The boys decided to stop at another kid's house to play and watch tv without telling anyone. Their Dads finally found them--happy as clams--and Randy and Scott remained good friends thereafter. Lesley also gave of her time and talent and even helped me lead their Boys Scout troop. I could not have done it without her encouragement and creative skills. Our families also celebrated many Xmas dinner at Chateau Elan--which became a yearly tradition.

*I will truly miss Lesley--a very kind and special person--and am honored to have had her in my life.*

*Lesley, I know you are now in heaven with Randy and looking over us.*
