Leslie Hermitt or Crowny, to his friends and family, was born and raised in Jamaica. Before emigrating to the United States, Leslie served as a police officer in the Jamaican Police Force. In the US, he worked as a Manager at Columbia University in the City of New York for 15 years. He retired from Columbia and settled in Georgia where he made Dacula his home.

Leslie was an avid gardener. His family and friends marveled at his beautiful creations. He was also a servant leader, eager to provide support and advice to anyone who needed his help. Leslie was an original who embodied humility and grace.

*From Victor and Olive Holness.
Condolences to the bereaved Hermit family.
It is sadness in my heart that I pay my last respect to a husband, father, friend and most of all a wonderful human being. The life that he lived impacted many, here and abroad.
Just want to implore the bereaved family to be strong, remembering that the Lord gives and he takes. We all came in this world one way but we exit different ways.
May his soul Rest In Peace.*

“ Of all of the things I am proud of in this world, carrying this man's last name is at the top. He was more than a father-in-law. He treated me like I was his child, and I love him for that. When I was very sick in 2001-2002 he picked me up and carried me with no effort and he and Cecille took care of me and my kids for two weeks. I will never forget that for as long as I live.

“ I spent some quality time with my brother Crownny back in 2001 when I was on my way back from France to Jamaica via the US. It was good to be with him and share memories of our Dad and other siblings. I had a good time with those at home then.

Miss you Crownny. When I looked at you I saw my Dad. May your soul rest in perpetual peace.

“ *In Memory of Leslie Hermit*

Those who have brought us joy, made us laugh, and shown us love have given us lasting gifts of a beautiful life. Cecile and family, you will always live in our hearts with precious memories of the many get-togethers, being members of the "Mahagony Sisters" and the "ADG" members. You, Crownie, always ended your opening prayer with the Lord's Prayer. Amen

We care and God cares even more for you.

With love and prayers to sustain you,

Anyone who has ever spent time with Crownie always left a little bit better than when they came. He was a gentle, kind and considerate person. I know this because I have known him since I was age ten. You figure that's a lifetime since I'm in my seventies. He was my brother-in-law, although you couldn't tell that, since he acted more like a brother. To my parents he was like a son because he called them mama and daddy. He was never stingy with his helping hand and his kind words of wisdom. I have learned so much from him, that I try very hard to emulate him. Don't know how successful I've been, but I try. I have seen him as a husband and father, and I have found very few to compare to him. My opinion of my brother-in-law would take more than this

space and time to explain. So I will say one can not find a better person in a month of Sundays. LOVE ALWAYS CROWNIE.

My husband Frank and I met Crownie and Cecile years ago and we “clicked” immediately. He was “jokify” and we shared a warm friendship and are saddened by his death. He was a devoted father and grandfather and a committed and loving husband. Crownie was a honorable man with traditional values as a result he was respected. Gardening was a passion of his as he really loved flowers and over the years he has moved around every stone in his yard. He will remain alive in our hearts as we cherish the wonderful memories we shared. To Cecile and family remember joy cometh in the morning and God’s grace is sufficient to see you through. Rest In Peace brother you will be missed.....Frank and Mavis Hamilton.
