“ Leslie Marie I will always miss you & love you!

Sorry your family is having to bury this beautiful sweet girl at such a young age. I hope in time your hearts will heal. Thanks for letting me share such wonderful times with your Daughter & Sister! God Bless

God watched you as you suffered, and knew you had your share. He gently closed your weary eyes and took you in his care.

Your memory is our keepsake, with that we will never part. God has you in his keeping, we have you in our hearts.

Nothing could be more beautiful than the memories we have of you. To us you were someone special. God must have thought so too.

All our lives we shall miss you, as the years come and go, but in our hearts you will live forever. Because we love you so.

God saw you were getting tired and a cure was not to be. So he put his arms around you and whispered "Come with me"

With tearful eyes we watched you suffer and fade away. Although we loved you dearly, you were not meant to stay.

A loving heart stopped beating, hard- working hands to rest. God broke our hearts to prove to us, He only takes the best!###imported-begin###Andy Daniel###imported-end##
