“ *Leon and Family-*

*I was so sorry to hear of your loss. I know how it feels to lose a mother and to me a family is never quite the same afterwards. Afterall, a mother is the "heartbeat" of her family.*

*Please know I am thinking of you and will keep your family in my prayers.*

“ *Aunt Lessie was a class act. She was more energetic than most women half her age. I am proud to have had her in my life. We will miss her greatly.##imported-begin##Susan Adcock##imported-end##*
