“ *Dear Dawn and family,*

*I extend my deepest and sincere sympathy to you.
Les was the brother that I never had. We have been through
so much together- good times and bad. However, the good
times heavily outweigh the bad! May he rest in eternal peace.*

Sincerely,

Rick Homistek

“ Les was my dad’s (Chuck Gismondi) best friend. As far back as I can remember, my dad told me stories about how he and his best friend Lester used to be the King’s of Uniontown back in their day. He called Les “Lash Larue” among many other nicknames they had for each other. The joy I would see in my dads eyes when he would see his buddy Les was truly unmatched. I had the pleasure of spending time with Les on many occasions. He was such a kind hearted man. I’m sure my dad and Les are raising hell up in heaven right now, playing pool, calling each other names, and laughing. We will all miss you Les.

Oh, the stories I have heard about this guy ❤️ Chuck truly loved his best friend, Lester. . In my heart, I know they are together, causing a whole lot of trouble and being totally inappropriate! THE CAPED DUO are shooting pool, calling each other names and laughing. If you can picture that Dawn and family, let it bring a smile to your face. You are all in my thoughts.

Love, Barb Gismondi.

“ *You were sadly missed when you left our gym family, The Hopwood Fitness Center, but we were glad you were going to be with family. And now you are entering that great gym in the sky, the pain is gone and your beautiful smile returns as you rest in God's gym. Peace to your daughter's heart, your family's hearts,
