“ *My husband James and I sought her out when we found out that the name of the street we bought a house on the street named after her was a real person still alive. When we arrived at her house she was outside tending her flowers. She was so friendly and warm! We also met again when her great-grandson Thad and my son John were cub scouts in the same den. Lovely family.*

“ *Such a sweet lady. I have such good memories with this special lady that would always light up a room with her smile. May God touch and bless you with peace of knowing she is in heaven being the angel she has always been. Praying for you during this loss.*

“ *I have so many memories of Aunt Letha. From catching June Bugs in her pasture as a child to numerous birthday celebrations together with her twin & my Mother, Lema. Always loving, generous and kind to others, their joyfulness and fun-loving spirits were great to see. I will always remember her sweet smile and sparkling blue eyes. Hoping we as a family can continue to spread love and laughter to others as Aunt Letha always did. I sure she is dancing in Heaven today and wanting us to continue the dance here on earth until we meet again.*

“ One of the best people in our community. Letha always had a smile and a pleasant word for all of us. She came to see me when I returned from Missouri and I will never forget her kind words she and I shared. I am so blessed that she was part of our big "Knight" family down here. Here spirit will live on from all the fun and free spirit she showed. It is great to go to heaven and she will see my dad and so many of her friends. She was a good mom and I am so happy she is with our Lord and at peace. May God bless you in this time and remember the good ones.
