“ To Uncle Bud. Eddy and I always enjoyed your visits and coming to our home for Thanksgiving and Christmas dinner these past years before you got sick. You always made me feel good saying you loved my cooking. Go rest we will keep you in our hearts forever.

“ Wanda, Teresa and family - so very sorry to hear about Bud. You know we all loved him ever since I met you all when Teresa and I were in the 4th grade. There are many wonderful memories of spending the night at your house, playing Yahtzee, and eating butter pecan ice cream, while listening to him cut up with all of us. He will be missed. My family and I send our deepest condolences. We will not be able to make it to the service tomorrow, but please know that you all are in our hearts and prayers. We love you all.
